The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment shall not pass to his successors in title unless expressly assumed by them.

Section 2: Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the exterior maintenance of homes situated upon Townhouse Lots or for the use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials management and supervision, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the By-Laws, the payment of charges for common television antenna service to Townhouse Lots, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first lot to an Owner, the maximum monthly assessment shall be \$60.00 per lot, prorated for the remainder of said year.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington D.C.) from the preceding month of July. (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment for the next succeeding two (2) years may be increased above that established by the Consumer Price Index formula by a vote of the members, and for each succeeding period of two (2) years thereafter, provided that any such change shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) The Board of Directors may fix an annual assessment at an amount not in excess of the maximum.

Section 4: Special Assessments for Capital Improvements and Maintenance. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, maintenance or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of

each class of members who are voting in person or by proxy at the meeting duly called for this purpose.

Section 5: Notice and Quorum for Any Action Authorized Under Sections 3 and 4.

Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than (60) days in advance of the meeting. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 8. Effect of Nonpayment of Assessment. Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen per cent per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape or deny liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9: Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10: Exempt Property. All property dedicated to and accepted by, a local authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina, shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE XV

INSURANCE AND CASUALTY LOSSES

Section 1: Insurance. The Association's Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements constructed on the Common Property against loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief, in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors of the Association or its manager shall also obtain a public liability policy covering the Common Property and facilities thereon in such amounts and in such form as shall be determined by the Board of Directors of the Association covering the Association, the Board of Directors and officers of the Association, all agents and employees of the Association, and all Lot Owners and other persons entitled to use the Common Property and facilities thereon. Premiums for all such insurance shall be common expenses paid for by the Association. Such insurance shall be governed by the following provisions:

(a) All policies shall be written with a company licensed to do business in the State of North Carolina.

(b) Exclusive authority to negotiate and accept settlement under policies hereafter in force on the Common Property shall be vested in the Association's Board of Directors.

(c) The Association's Board of Directors or its manager shall conduct an annual insurance review which shall include a replacement cost appraisal, without respect to depreciation, of all insurable improvements constructed on the Common Property.

(d) The Association's Board of Directors or its manager shall be required to make every reasonable effort to secure insurance policies that will provide for the following: (1) a waiver of subrogation by the insurer as to any claims against the Association, its Board of Directors, its manager, or its members and their respective families, tenants, agents and guests, with respect to property coverage, except for arson and fraud; (2) a waiver by the insurer of its right to repair or reconstruct instead of paying cash; (3) that the policies cannot be cancelled, invalidated or suspended on account of the conduct of any one or more members or on account of the conduct of any director, officer or employee of the Association or its manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its agent, mortgagee or any member.

Section 2: Insurance Trustee. All casualty insurance policies purchased by the Association shall provide that proceeds covering property losses shall be paid to an insurance trustee, which shall be the Association or a bank or other financial institution having trust powers with offices in North Carolina, as may from time to time be approved by the Board of Directors of the Association, which insurance trustee is herein sometimes referred to as the "Depository". In the event the Association shall act as insurance trustee, then the provisions of this Declaration which by their context contemplate the "Depository" as a party separate from the Association shall not apply. The duty of the Depository shall be to receive such proceeds as are paid and hold the same for the purposes elsewhere stated herein.

Section 3: Damage and Destruction.

(a) Immediately after any damage or destruction by fire or other casualty to all or any part of the Common Property and common facilities, the Association's Board of Directors or its manager shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damages or

destroyed property. Repair or reconstruction, as used in this Article means repairing or restoring the property to substantially the same condition in which it existed prior to the fire or other casualty. Subject to subsection (b) and (d) hereof, all such damage or destruction shall be repaired or reconstructed as soon as practicable after any such casualty shall occur.

(b) If the estimated cost to repair or reconstruct the property which is damaged or destroyed exceeds the amount of insurance proceeds and other funds, if any, available to meet the same, then, subject to the assent of at least two-thirds (2/3rds) or the votes of each Class of members in the Association who are voting in person or by proxy at a meeting duly called for such purpose, the Association's Board of Directors may levy a special assessment against the Lot Owners to provide the additional funds needed for such repair or reconstruction. Unless the estimated cost to repair or reconstruct is \$5,000.00 or less, the proceeds from insurance and special assessments, if any, shall be deposited with the Depositary and disbursed as hereinafter provided.

(c) In the event that the insurance proceeds and assessments, if any, paid to the Depositary are in excess of the Depositary's expenses and cost of repair or reconstruction, such excess shall be disbursed to the Association as hereinafter provided.

(d) Any such damage or destruction to the Common Property and common facilities shall be repaired or reconstructed unless a special assessment requiring membership approval shall be required and the members of the Association shall fail to approve the same within sixty (60) days after the casualty, in which event the damaged or destroyed area or areas shall not be repaired or reconstructed, but rather shall be cleaned up and maintained in a neat and attractive condition. If, for any reason, the amount of the insurance proceeds to be paid as a result of such damage or destruction is not made available to the Association within thirty (30) days after the casualty, then said sixty (60) day period shall be extended correspondingly until such information shall be made available to the Association. In all cases, the Depositary may rely upon a certificate signed by the manager of the Association, if any, or by the President and Secretary of the Association, to determine whether damage or destruction is to be repaired or reconstructed.

Section 4: Disbursement of Proceeds.

(a) If the damage or destruction is not to be repaired, then, after paying or making

provision for the expenses of the Depositary, the net proceeds of any insurance paid to the Depositary shall be disbursed to the Association to pay for the cost of cleaning up the Common Property and for such other purposes as the Board of Directors of the Association shall determine.

(b) If the damage or destruction for which the insurance proceeds are paid to the Depositary is to be repaired or reconstructed, then, after paying or making provision for the expenses of the Depositary, the remaining proceeds shall be disbursed to defray the cost of such repairs or reconstruction as herein provided. Any proceeds remaining after defraying such costs shall be disbursed to the Association for such purposes as the Board of Directors of the Association shall determine.

(i) Minor Damage. If the amount of the estimated cost of reconstruction and repair is \$5,000.00 or less, then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon written request to the Depositary by the holder of any mortgage affecting that portion of the Common Property being repaired or reconstructed, such fund shall be disbursed in the manner hereafter provided for the reconstruction and repair of major damage. Under the latter circumstances, any special assessments collected by the Association for repair or construction shall also be deposited with the Depositary and disbursed in the same manner.

(ii) Major Damage. If the amount of the estimated cost of reconstruction and repair is more than \$5,000.00, then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Directors of the Association and upon approval of a registered architect or licensed professional engineer selected and employed by the Board of Directors of the Association to supervise work, or upon approval of a builder selected and employed by the Board of Directors of the Association to supervise or perform the work provided such builder is approved by the holder of any mortgage affecting that portion of the Common Property being repaired or reconstructed.

(iii) Certificate. Notwithstanding the provisions herein, the Depositary shall not be required to determine whether or not sums paid by Lot Owners upon assessment shall be deposited by the Association with the Depositary, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or upon approval of any

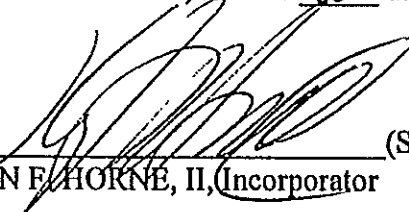

third party, nor whether a disbursement is to be made from the construction fund, nor to determine any other fact or matter relating to its duties hereunder. Instead, the Depositary may rely upon a certificate of the Association made by its President and Secretary or manager, if any, as to any or all of such matters and stating the name of the payee and the amount to be paid; provided that when the holder of any mortgage encumbering that portion of the Common Property which is being repaired or reconstructed shall specifically request the Depositary to do so in writing, the approval of a registered architect, licensed professional engineer or approved builder shall be first obtained by the Association.
