Termite Inspections

Beginning this year, the fine for failing to have termite inspection completed on time will be \$50. Over the past few years, we have had costly repairs due to termite damage. Termite inspections are for first floor condos. Russ Pest Control does the inspections. Please get your unit inspected as required.

HOA BOARD

President: Rosie Erskine Lamrhari
Vice President: Will Daugherty
Secretary/Treasurer: Jason Jackson
Board Member: Tommy Peacock
Board Member: Paige Best

Next Board Meeting: April 17, 2019 at 6:00
Any Homeowner is welcome to attend from 6 - 6:15 to voice concerns, ask questions, or make comments.

Thank You

Many thanks to Linda Price who is our HOA manager. You go above and beyond for our community!!!!

Trash and Recycling

Ever since Christmas, we have had an issue with overflowing recycling containers. HOA board members have contacted the city several times regarding this. Collapsing all cardboard boxes before putting them into the containers may help alleviate some of the problem. If you see mattresses or furniture left at the dumpsters, please report it to the Sanitation Department at 252-329- 4522. If you have any concerns regarding the city's trash or recycling service, or to report bulky items, you can contact the city at greenvillenc.gov

LOOKING GOOD

Please help keep our neighborhood looking good by picking up any trash you might see, also by remembering to pick up after your pet and dispose in the dumpster.
