BOOK 1323 PAGE 334

(2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment shall not pass to his successors in title unless expressly assumed by them.

Section 2: Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the exterior maintenance of homes situated upon Townhouse Lots or for the use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials management and supervision, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the By-Laws, the payment of charges for common television antenna service to Townhouse Lots, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment shall be \$35.00 per lot, prorated for the remainder of said year.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington D.C.) from the preceding month of July.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment for the next succeeding two (2) years may be increased above that established by the Consumer Price Index formula by a vote of the members, and for each succeeding period of two (2) years thereafter, provided that any such change shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not

apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) The Board of Directors may fix an annual assessment at an amount not in excess of the maximum.

Section 4: Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy at the meeting duly called for this purpose.

Section 5: Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60%) per cent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. Section 6: Uniform Rate of Assessment. Except as provided for Class B members, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7: Date of Commencement of Annual Assessments. Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessments against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been

BOOK 1323 PAGE 336

paid. A property executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. **Effect of Nonpayment of Assessment. Remedies of the Association.** Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight per cent per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape or deny liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9: **Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10: **Exempt Property.** All property dedicated to and accepted by, a local authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina, shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

#### ARTICLE V PARTY WALLS

Section 1: **General Rules of Law to Apply.** Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2: **Sharing of Repair and Maintenance.** The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3: **Destruction by Fire or Other Casualty.** If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or

willful acts or omissions.

Section 4: Weatherproofing. Notwithstanding any other provisions of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protections against such elements.

Section 5: Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6: Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators, and binding on the parties

#### ARTICLE VI EXTERIOR MAINTENANCE

Section 1: Types of Maintenance. In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Townhouse Lot which is subject to assessment hereunder, as follows: Paint, repair, replace and care of roofs, gutters, down spouts, exterior building surfaces, trees, shrubs, walks, and other exterior improvements. Such exterior maintenance shall not include glass surfaces. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon such Lot at all reasonable times to perform maintenance as provided in this Article.

Section 2: Costs Subject to Assessments. In the event that the need for maintenance, repair, or replacement is not insured by Casualty insurance, or is caused through the willful or negligent act of the Owner, his family, guests, or invites, or tenants, or is caused by fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircraft, vehicles, and smoke, as the foregoing are defined and explained in North Carolina Standard Fire and Extended Coverage insurance policies, the cost of such maintenance, replacement, or repairs, shall be added to and become a part of the assessment to which such Lot is subject.

#### ARTICLE VII ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of

BOOK 1323 PAGE 338

Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. For the purpose of this Article, storm windows and a storm door on the rear entrance may be placed and maintained on townhouses without need for approval of the architectural committee; but a storm door placed and maintained at the entrance, or front door, to a townhouse must be approved by the architectural committee in accordance with the provisions of this Article.

Section 3: Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes. Homeowners and their tenants are responsible for the conduct and waste of their pets. All animals shall be on a leash at all times while on the common area.

Section 4: Outside Antennas. No outside radio or television antennas shall be erected on any Townhouse unless and until permission for the same has been granted by the Board of Directors of the Association or its architectural control committee.

Section 5: No disabled vehicles without current registration and plates will be permitted to be parked on the common area.

#### ARTICLE IX EASEMENTS

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements.

All Lots and Common Areas shall be subject to easements for the encroachment of initial improvements constructed on adjacent Lots by the Declarant to the extent that such initial improvements actually encroach, including, but not limited to, such items as overhanging eaves, stoops, chimneys, bay windows, gutters and down spouts, misaligned common walls, foundation footings and walls. Declarant shall have a reasonable construction easement across the Common Area for the purpose of constructing improvements on the lots.

ARTICLE X  
GENERAL PROVISIONS

Section 1: Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.
