

Treetops Condos Water Meter Chart

In May 2018, Board member Tommy Peacock cleaned the inside covers of all water meters and numbered them to match condo address numbers. The Board encourages you to make a note of your meter location in case you experience a water emergency and need to shut off the water to your condo. See the chart below showing the order of the meters, left to right.

110	111	112	113	120	121	122	123
210	211	212	213	220	221	223	222
310	311	312	313	320	321	322	323
350	351	352	353	360	361	362	363
410	411	412	413	420	421	422	423
510	511	512	513	520	521	522	523
