

# Treetops Condos HOA Newsletter

April 2017

Spring

## NEWS from the HOA PRESIDENT

Your HOA Board has been busy coordinating the 2017 projects to upgrade our grounds. Our plans for re-sealing and re-numbering the parking lot have been rescheduled until after the sidewalks are repaired. We are working on getting quotations for removing the roots and regrading, now that the old wax myrtles have been removed. Ultimately, the plant beds will be re-landscaped.

## HOA BOARD of DIRECTORS

**President:** Brian Taylor  
**Vice President:** Tim Crouchley  
**Secretary/Treasurer:** Joy Nethercutt  
**Board Member:** Rosie Erskine Lamhari  
**Board Member:** Paige Best

**Next Board Meeting:** July 17, 2017 at 6:00 p.m. at HOA Management Company. Any Homeowner is welcome to attend from 6:00 - 6:15 to voice concerns, ask questions, or to make comments.

## ITEMS of INTEREST

The pool will be open this year from May 19 to Sept. 4. See Pool Registration Info for times/locations to register for or renew your pool card.

Our management company's web site, [hoamgtcompany.com](http://hoamgtcompany.com), is up and running! To access Treetops Condos info, click on **COMMUNITIES**, then scroll down to **Treetops Condos**. You will find the Bylaws, Covenants, Rules and Regulations, Pet Form, Vehicle Information Form, Newsletters, Satellite Policy, and other information for Treetops Condos residents.

## LIGHT NOT WORKING?

If you notice a street light or pole light that's not working, please report it to Beth at HOA Management Company (252-565-4820 or email [mpuryearhoa@gmail.com](mailto:mpuryearhoa@gmail.com)) and give her the plate # on the light pole so that she can report it to GUC.

## TRASH and RECYCLING

Ever since Christmas, we have had an issue with overflowing recycling containers. HOA Board members have contacted the city several times regarding this. Collapsing all cardboard boxes before putting them into the containers may help alleviate some of the problem.

If you see mattresses or furniture left at the dumpsters, please report it to the Sanitation Department at 252-329-4522. If you have any concerns regarding the City's trash or recycling service, or to report bulky items, you can contact the City at [greenvillenc.gov](http://greenvillenc.gov). Click on **CITY COMPASS** icon, then scroll down and click on **GARBAGE AND RECYCLING**. Choose a topic and you can write a message and post pix.

If you see non-condo residents using the dumpsters or recycling containers, please note the vehicle and tag number and report this information, along with the date and time, to Beth at HOA Management Company (252-565-4820 or email [mpuryearhoa@gmail.com](mailto:mpuryearhoa@gmail.com)).

## BUILDING ADDRESS SIGNS

The building address signs are complete and will be installed any day now!

## MAINTAINING LANDSCAPED AREAS

Creative Gardens did a nice job of landscaping near the entrance of our neighborhood. Please help maintain the area by *not allowing your dog to "do his/her business" in the woodchips or on the bushes*. We will continue to do more landscaping as funds permit and ask that you *confine your canine to the grassy and natural areas*. And **don't forget to scoop the poop** and dispose of the bags in one of the dumpsters. Let's keep our neighborhood clean!
